Dear Parents and Community Members:

I am pleased to present you with the Annual Education Report (AER) which provides key information about the continuous improvement goals and educational progress of Niji-Iro Japanese Immersion Elementary School students based on 2016-17 assessment results. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact me, Karen Young, Lead Administrator of Niji-Iro Japanese Immersion Elementary School, for assistance.

The AER is available for you to review electronically by visiting the following web site http://niji-iro.livoniapublicschools.org or you may review a copy by contacting the Niji-Iro Japanese Immersion Elementary School office.

Schools have been identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA) based on their 2016-17 State Testing Results. A Target Support and Improvement (TSI) school is one that has at least one underperforming student group. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given. Our school has not been given one of these labels.

The AER has two major sections to it. The information contained in the first section was compiled by district staff. It presents relevant information about our district, our academic programs, school improvement efforts, results on district and school developed assessments and nationally norm referenced assessments. It also includes the district's parent involvement policy and specialized programs.

The second section of the report contains information provided by the Michigan Department of Education.

The students who tested in the bottom 30% have been identified. We have looked at the areas of Reading and Math where students are underperforming. We are actively working to address these issues by:

- English teachers servicing students in need of additional support in the area of math and reading through targeted interventions.
- Differentiated instruction in both Reading and Math designed to meet the needs of all students.
- Targeted small group Guided Reading instruction.
- Curriculum review and mapping to the state standards in the area of Math.

Our collaborative efforts positively impact our school's success and student achievement.

Sincerely,

Lawrence DeLuca Lead Administrator

We believe...

- students learn at different paces through a variety of modalities.
- students can succeed when we consider their individual needs.
- students take more ownership for learning when they are engaged and know the purpose.
- students can be successful learning a second language when there are clear, consistent, and high expectations.
- Everyone learns where there is fun, positive, supportive, environment were ideas and cultures are valued.

Parents & School

We believe...

- communication is essential between home and school.
- parents and teachers are partners in student learning.

Climate

We believe that we are all responsible for creating a school community that is safe, caring, and where we treat everyone with respect.

Behavior

We believe that everyone in our school community models and practices our Rainbow Code of Conduct.

- Respect Others
- Ookina Kokoro (Big Heart)
- You are a team
- Gambaru (Great Effort)
- Be Responsible
- Itsumo Egao (Always Positive)
- Valient Spirit

SCHOOL PROFILE

Niji-Iro Japanese Immersion Elementary School serves 208 students in grades K-5. The Lead Administrator of Niji-Iro is Karen Young. There are 9.5 English teaching staff and 6.5 Japanese teaching staff. Livonia Public Schools shared time program provides a technology and physical education teacher.

In addition, we have the following professional support staff: school psychologist, school social worker, speech and language teacher, special education teacher, occupational therapist, and physical therapist.

Assisting all of us in keeping the building operating in an organized manner, keeping the building clean, and helping teachers and students are: one secretary and one building supervisor.

State law requires that we report the following additional information.

ASSIGNING PUPILS TO THE SCHOOL

Students assigned to Niji-Iro Japanese Immersion Elementary School are based upon Schools of Choice. Niji-Iro is a tuition-free magnet school, part of the Livonia Public School District and enrolls children throughout southeastern Michigan. Students who enroll in Niji-Iro are considered part of the Livonia Public Schools District, regardless of where they currently reside.

SCHOOL IMPROVEMENT

School improvement is a process in which stakeholders in a school work cooperatively to improve student achievement. The process relies on staff, parents, and students participating in collaborative decision making in formulating and implementing achievement goals. The goals are determined through analysis of student achievement data and survey information. Action plans using proven interventions are developed for each improvement goal and progress toward achievement of the goals is documented annually.

Our school improvement goals for 2017-18:

- 1. All students will experience a positive, safe, and welcoming environment, where both students and adults respect and value one another.
- 2. All students will be proficient readers of grade level content.
- 3. All students will be proficient in mathematics.
- 4. All students will be proficient writers in all content areas.

Our school improvement goals for 2016-2017:

- 1. All students will be proficient in Reading.
- 2. All students will be proficient in Math.
- 3. All students will become proficient Writers.
- 4. All students will become proficient in Science.

The Livonia Public Schools School District has had its District Level accreditation through AdvancED. Through the district accreditation process, Niji-Iro Japanese Immersion Elementary School also received AdvancED accreditation. The AdvancED accreditation process supports and validates district and school level improvement efforts.

SPECIALIZED SCHOOLS OR PROGRAMS

At the elementary level, students may be enrolled in Alternative Classrooms for the Academically Talented (ACAT) at Webster Elementary School, Niji-Iro Japanese Immersion Elementary School and special education centers at Coolidge, Grant, Johnson, Kennedy, Randolph and Webster. A preschool is operated at the Jackson Center, a Great Start Readiness Program (GSRP) is located at Garfield Community School, and preschool special education programs are located at various locations in the district. Other special education programs are available in western Wayne County for our students with disabilities, based upon their individual needs. Specific information about these programs is available on the district Web site at www.livoniapublicschools.org.

CORE CURRICULUM

The core curriculum at Niji-Iro Japanese Immersion Elementary School provides learning experiences in reading, writing, speaking, listening, spelling, handwriting, mathematics, social studies, science, technology, physical education, art, vocal music, and enrichment activities in both English and Japanese. The core curriculum is based on the grade level content expectations (GLCEs) from the Michigan Department of Education and the Common Core State Standards for Mathematics and English Language Arts. The school also incorporates the Japanese Educational standards.

The goal of education is to provide all learners with a solid foundation of skills, knowledge, and understandings that are necessary for their continual growth and success as students within the school

setting and as adults in society. As a result of sound K-12 education based on well-defined educational outcomes, a Livonia Public School graduate will:

- Respect self, others, and the environment.
- · Communicate effectively.
- Know how to learn and work productively.
- Acquire and process information.
- Use critical and creative thinking to make decisions and solve problems.
- Work and participate independently and cooperatively.
- Acquire a core of understanding and competencies within the content areas.

A copy of the core curriculum may be obtained from the district's Academic Services Department.

STUDENT ACHIEVEMENT ON DISTRICT DEVELOPED AND NATIONAL ASSESSMENTS

DISTRICT LITERACY ASSESSMENTS

Students in kindergarten are assessed on a one-on-one basis four times during the school year to measure progress toward grade-level literacy skills. The following table, Literacy Benchmark: Early Literacy Assessment shows the results of this testing by school and district.

Niji-Iro Japanese Immersion Elementary School uses the REACH curriculum by National Geographic for reading and writing and utilizes the district's professional development for best practices.

	EARLY LITERACY BENCHMARK ASSESSMENT - KINDERGARTEN

District	95.0%	86.9%	91.9%									

Students in grades 1-5 are assessed using the Fountas and Pinnell Benchmark Assessment System. Teachers administer running records with comprehension to students one-on-one.

Kindergarten teachers administer reading records with comprehension at the end of the school year. Students in grades 1-2 are assessed a minimum of three times each year. Students in grades 3-5 are assessed a minimum of two times each year. The following table shows the percent of students at each grade level that performed at or above grade level on this assessment.

Students were assessed in mathematics knowledge during the 2016-2017 school year. In June, students in Kindergarten were tested on Common Core State Standards for Mathematics (CCSS) strands taught within the *Singapore Math* program. Students in grades 1-5 were tested on Common Core State Standards for Mathematics (CCSS) and reported using Grade Level Content Expectations (GLCEs) strands taught within the Japanese *Sansu Math* curriculum.

Kindergarten students were assessed with a paper and pencil assessment created by *Singapore Math* and students in grades 1-5 were assessed using a paper and pencil assessment created by the school using *Sansu Math* end of year assessments.

PARENT TEACHER CONFERENCES

One of the most important factors of a child's success in school is the involvement of parents or guardians in the educational process. Niji-Iro Elementary has a high degree of parental involvement evidenced by 90% (188 of 208) of our parents attending parent-teacher conferences and/or IEPCs in 2016-2017. During the 2015-2016 school year 84% (153 of 183) of our parents attending parent-teacher conferences and/or IEPCs.

Eighty-nine percent of parents (representing 185 of 208 students) attended our fall Open House in August.

PARENT INVOLVEMENT

The district's Parent Involvement Plan is available on the district's website, which is linked to each school's website.

BOARD POLICY

IDD

INSTRUCTIONAL PROGRAM PARENT INVOLVEMENT

JUNE 20, 2011 Reviewed 5/2014

The Board strongly encourages and welcomes the involvement of parent(s)/guardian(s) in all of the District's educational programs. It is recognized and appreciated that parents/guardians are the "first teachers" of their children, and that their interest and involvement in the education of their children should not diminish once their child enters the schools of the District. Accordingly, the Board directs, by the adoption of this policy, that the administration shall design a program/plan that will encourage parent(s)/guardian(s) participation that may include, but not be limited to: The development and review of instructional materials; input on the ways that the District may better provide parent(s)/guardian(s) with information concerning current laws, regulations, and instructional programs; and District offerings of training programs to instruct parent(s)/guardian(s) how to become more involved in their child's educational programs.

Pursuant to state law, the Superintendent shall provide a copy of the District's Parental Involvement plan to all parents.

DATA FROM MICHIGAN DEPARTMENT OF EDUCATION

These reports contain the following information:

Student Assessment Data – Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT. Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students. The report helps users to understand achievement performance within grades and schools, and to make comparisons to district, state, and national achievement benchmarks.

Accountability – Detail Data and Status

The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability index values showing school performance on a 0-100 scale.

Teacher Qualification Data

- Identifies teacher qualifications at district and school levels
- Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes

NAEP Data (National Assessment of Educational Progress)

 Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8
